ABOUT FLOOD ROOFING

Flood Roofing is a Northland-based roofing specialist established in 2016. Owner Aron Flood has 15+ years on the tools — from high-end architectural homes through to large commercial re-roofs — and only hires the best team along the way. We install premium NZ-made Colorsteel® Maxam and Endura products only, and back every roof with a written 10-year workmanship warranty.

Premium NZ materials

Colorsteel® Maxam, Endura and other top-tier NZ Steel products only — no parallel imports.

10-yr workmanship

A written workmanship warranty on every roof, in addition to the NZ Steel manufacturer cover.

15+ years on the tools

Every job is supervised on-site by an experienced lead roofer. Owner-operated.

LBP & insured

Licensed Building Practitioner. Public liability + contract works cover, SiteSafe certified.

PREMIUM NZ-MADE STEEL

Colorsteel® Maxam®

NZ Steel's top-tier pre-painted roofing & cladding coil — engineered for New Zealand's harshest atmospheres. Heavier zinc-aluminium coating, thicker paint film, tougher finish than standard Endura. What we use whenever a job is coastal or long-life.

MANUFACTURER'S WARRANTY

Up to 25 years*

Perforation warranty in Severe Marine zones (<100m to surf). Paint film & weather-side cover included. *Subject to NZ Steel exposure zones.

WHY MAXAM?

- **Severe-marine grade** — coastal-zone formulation
- **Heavier substrate** — AZ200 vs AZ150 on Endura
- **Thicker paint film** — better UV / chalk resistance
- **Premium colours** — Maxam-only colour range
- **Transferable warranty**

MAXAM VS ENDURA

Substrate	AZ200	AZ150
Severe Marine	25 yr	N/A
Marine zone	30 yr	20 yr
Paint film	15 yr	12 yr
